SPIRIT WEEK

THINGS TO KNOW AS YOU PREPARE

1

YOUR CHOICE

No pressure to join in! This is all for fun and building community!

2

BE READY

Come to school ready and prepared. We want to ensure that we have fun but it can't impact the reason for being at school - learning.

3

THE BASICS

Costumes must align with our community code of conduct and dress code meaning that costumes cannot:

- Impact the safety of others, the learning experiences of others, or class time
- Be offensive or inappropriate
- Promote or display drugs, alcohol, violence including fake weapons (guns, knives, swords)
- Cover your entire face
- Bring anything that may cause destruction to our space
- Include fake gruesome injuries or fake blood

If you have any questions or want to know if your costume ideas work, feel free to talk to Jess, Madison or Bjorn.
