

Passing Time

Passing time, or the time the pass from one class to the next is five minutes. This is enough time for most students to fill up their water bottles, use the restroom, and get to the class they have next.

Activity Time

Every day at 11:10 am there are 20 minute for structured social time where students will spend time with their peers and learn social-emotional skills.

Lunch

Each day has a half an hour lunch period where students can sit in peer groups to eat their lunch and spend time with their friends. Check out academiceats.com to see YWA's option for hot lunches.
